5	**IMPLEMENTATION**	

STEP 1:

- *Children will be divided into two groups.*
- *One of them will be chosen to be a leader*

STEP 2:

- *The teacher and leader will show and give the picture and asked them to color the pictures.*
- *After they done color all the pictures, the children will cut and paste the picture of the aeroplane and other air transportations on the paper to make a pop-up book.*

STEP 3:

- *The other children will cut the printed simple pharses and sentences on the paper and paste it in the book.*
  For example:
  Aeroplane. This is an aeroplane. This is my aeroplane. I have a small aeroplane. My aeroplane is a red colour.
- *The same steps go to the next page of the book.*
- *After all the steps done, the teacher helps to compile and create the pop-up book.*
- *When the pop-up book is ready, the children will read book together.*
