STRATEGIES

1. Teachers bring the children to the learning centre and explain about the activity.
2. Teacher will pass a box around and the children will guess the object inside it.
3. Children will guess the object based on the sound.
4. Children are allowed to touch the object inside the box.
5. Teacher will explain about the object from the box.
6. Children will watch videos about rocks:
<https://www.youtube.com/watch?v=tVy3dzLSMLg&feature=youtu.be>
7. The teacher will explain what they have watched in the videos.
8. Teacher explains the wonder of God's creation of the earth.
9. Children share their insights and opinion about what they have seen in the video.
10. Children are divided into 3 small groups.
11. The children will complete a puzzle on the diagram of the rock structure.
12. Teacher will discuss with the children about the activities they have carried out
13. Teacher will praise the children when they respond to the questions.
