

# HOW THE PLANTS GROW

Reading Room Learning Centre

# ***BAHAN-BAHAN***

- ✓ Colour Pencil
- ✓ Ruler
- ✓ Pencils
- ✓ Scissors
- ✓ Laminate Film
- ✓ Laminating Machine
- ✓ Colour Paper
- ✓ Glue
- ✓ Pvc Board

# ***WATCHING VIDEO***

- × Children watch a video about the life cycle of a plant :  
<https://youtu.be/w77zPA+VTuI>

- ✘ Ask children about what they watched in the video

- × Children are divided into three groups
- × Each group will colour and cut the picture of seeds, corn sprout, and corn

- × All pictures will be laminated by the children with the teacher's guidance

- × Children will sketch the life cycle of a corn plant and paste the pictures to its respective area

- × All children are encouraged to share their experience about the activity

# SCIENCE
