

# LET'S WATCH FORMULA 1

Reading Room Learning Centre

# TEACHING AIDS

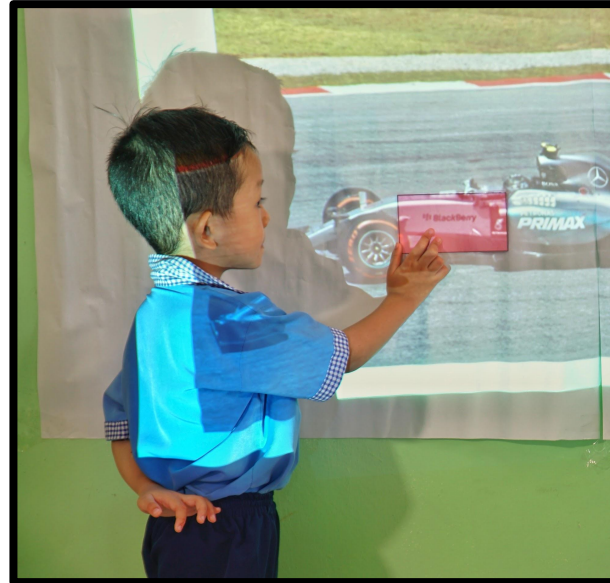

- × LCD
- × Basic shapes cards
- × Basket
- × Laptop

Children watch Formula 1 video

Children match basic card shapes with the parts of car.

At the end of the lesson, children say the basic shapes of cards and name the parts of car that they have learned.

# **TECHNOLOGY**

- × Children learn using ICT
- × **Example:** Children watching Formula 1 videos using laptop

# **ENGINEERING**

- × Children know about the shapes of tyre that move the car
- × **Example** : Leonald says, “The car cannot move when we are using triangle tyre.”
